

INTRODUCTION

Dr. Graeme Mitchell

Creator of The Hope Gap

EMCEE INTRODUCTION

"Dr. Graeme Mitchell is the creator of The Hope Gap — the collision between a world improving in measurable ways, and a generation convinced it's falling apart."

His TEDx talk has surpassed 750,000 views and earned a TEDx Editor's Pick, and he's delivered 100+ keynotes with a 9.2/10 satisfaction rating to leaders across education, government, wellness, and corporate audiences navigating uncertainty. He's the most energetic case for hope you'll hear all year. Please welcome the co-founder of the Institute for Global Solutions, **Dr. Graeme Mitchell**.
